

Top 10 easy marketing tips

Tick them off as you go!

1. Add to bio

Add WELD to your Instagram bio.

2. WhatsApp

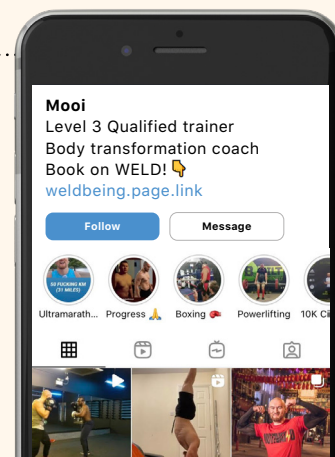

Text your friends and family!

Hey everyone, check out my classes on WELD!

4:24 PM ✓

3. Your first post

Tell your followers to download the app. Tap the buttons to open and copy the links.

4. Create a timetable

Post your class timetable on your Instagram feed or stories.

5. @mention us

Mention [@weld_health](#) on Instagram and we will repost your stories.

6. Run a special

Offer your WELD classes at a discount for your first week.

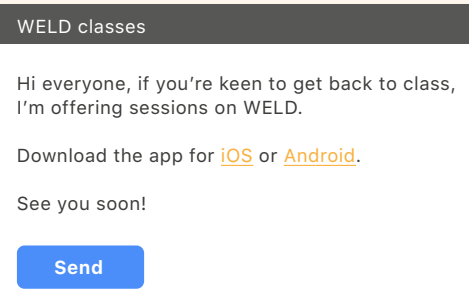

This week only! All classes just £3, book now! 📌

7. Email your client list

The more people in your class, the more you earn!

8. Update your website

Include your WELD classes on your website.

9. Share your link

When you create a class, hit 'share' to get your class link. Send it directly to people who might be interested.

10. DM your friends

Ask your PT friends to share the love on your Instagram posts and stories.

Hey, I'm hosting new classes on WELD. If you could comment or share, that would be a huge help! 😊

Seen

Sure thing! 🙌
