

WELD Rewards

You earn 90% of your session income, plus...

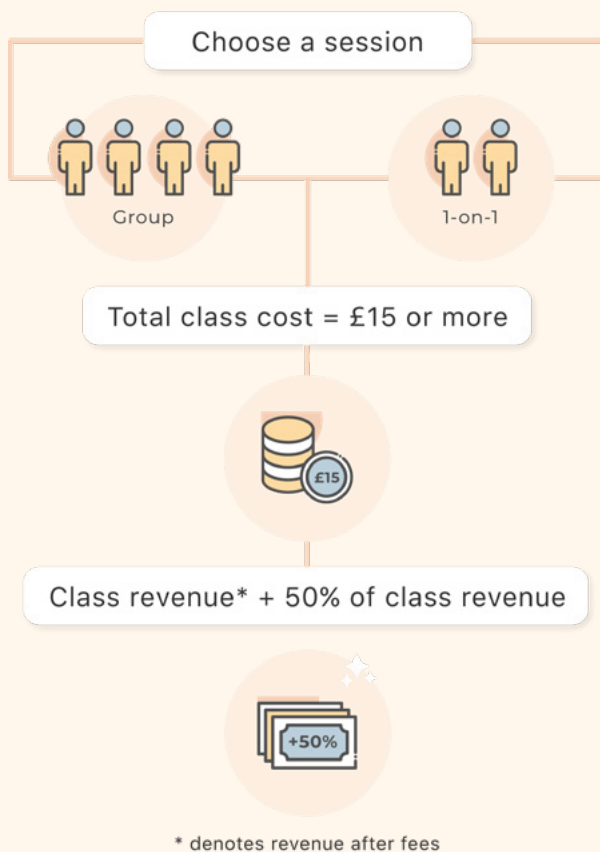

Our 50% top-up guarantee

Any session you host is eligible for our 50% top-up guarantee, provided you bring in at least £15 in class revenue.

For example, you help a client with a 1-on-1 abs workout for £40. Great! You're over the £15 class revenue requirement, so WELD will pay you an extra £20 (50% of £40 = £20).

Please note:

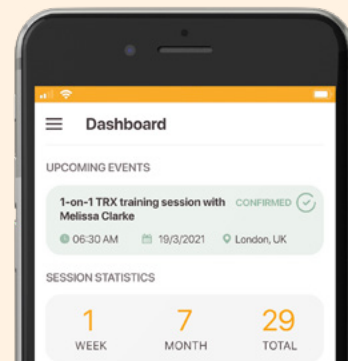

- WELD will only pay for the first class you host on a given day.
- We will market your class as much as possible, but get your regulars to join too!

Our weekly 20% bonus

If you earn £200 or more in class revenue during the week, WELD will pay you a 20% bonus.

For example, if you earn £400, we'll pay you £80 extra (20% of £400).
